We also do bulk hen and stag orders for that heavy weekend!

T shirts can be ordered on lower quality stock to keep costs down, and orders generally take a week to process and print. If you need this service, send us a message using the contact form provided. We will get you a quote back within 24-48 hours.

Orders can be paid for using Google Checkout (Debit and credit cards), PayPal, or bank transfer, and are a lot cheaper as the stock has a shorter lifespan, reducing costs in the process. The more you order, the cheaper the unit price.

Remember, digital photos can only be reproduced on lighter shirts, such as pink, white or pastel colours. Slogans can appear on any colour shirt as these are vinyl or screenprint.
